

## The 1872 Clipper Tea Co. Experience

*Impacting people's lives positively through tea*

*"Each cup of tea represents an imaginary voyage." - Catherine Douzel*

## Brand Story

In 1872, a young man named Balage Porolis de Silva planted his roots in Singapore, bringing with him his love for Ceylon's finest teas at a jewellery boutique along High Street.

Hailing from Sri Lanka where having tea is a daily ritual for relaxation and enjoyment, he wanted to enhance his customers' appreciation of jewellery with tea. This family-run business has kept his legacy of artistry and craftsmanship alive through five generations.

The name, 1872 Clipper Tea Co., pays homage to the historic Clipper ships that raced to carry the freshest teas to all corners of the world.

We proudly invite you to be part of our story and to join our community of tea lovers.
